

Declaration on the handling of symptoms of illness in children and parents

First name	
Last name	
Date of birth	
Address	
Postcode, City	

Self declaration by parent or guardian

I/we hereby confirm that (please tick as appropriate):

My/our children will only be brought in if they do not show any symptoms of illness and I/we and other people living in the household do not show any symptoms of COVID-19.

There was no known contact with persons who are acutely infected with SARS-CoV-2 or the contact was made for professional reasons.

Notes on self declaration:

In children, the type and severity of the disease symptoms are irrelevant. Parents or other persons in the household must not show symptoms of COVID-19. For those working in medical and nursing fields, contact with infected patients is unavoidable in the course of their work. Here it can be assumed that the necessary infection protection measures are ensured by employers and employees themselves.

Place, date, signature of parent/guardian
